## From the IAOHNS Chairman

At the outset, I would like to congratulate the organizing committee of IAOHNS 2024, themed “OtoRhinoLaryngology towards Academic and Research Excellence – 2024”, hosted by Kasturba Medical College, Mangalore for their brilliant curation of the scientific and cultural extravaganza. Special thanks to Lt Gen (Dr) M D Venkatesh -Organizing Chairman, Dr Deviprasad D – Organizing Secretary, Dr Suja Sreedharan – Organizing Scientific Chairman and the most enthusiastic and hard-working Team from the Department of ENT, Head and neck Surgery, KMC Mangalore.

We are in an exciting era in the field of Otolaryngology, experiencing rapid growth with invigorating advancements in robotic surgery, simulation technology; innovations like 3D printing technology which are revolutionizing pre-operative planning and the creation of custom implants for reconstructive surgeries.

To support the advancement of both emerging and established professionals, there is a need to share reliable evidence drawn from global experiences. In this regard, the 10th National Conference of the Indian Academy of Otorhinolaryngology Head and Neck Surgery is an excellent opportunity for young otolaryngologists to interact and garner “Pearls of Wisdom” from experienced National & International faculty.

I am confident that participants will benefit greatly from the erudite discussions in the conference and the pre-conference workshops.

Best Regards,

**Dr. Mohan Kameswaran**

**IAOHNS Chairman**
